Experience

Freelance Web Developer

2024 – Present

- I have worked as a freelance web developer, creating interactive and responsive websites using **React**, **Angular**, **Shopify**.
- I specialize in developing intuitive user experiences, integrating dynamic features through **APIs**.

Personal Project: Freelance Website

2024 – Present

- Created a freelance website to offer my web development services, built with **React** and **Bootstrap**.
- The website has helped me connect with clients and secure projects, allowing me to develop interactive and responsive websites

Personal Project: Portfolio Website

2024 – Present

- A showcase of my web development work, featuring projects created with technologies and tools that are in high demand. It includes my personal information, skills and a way to contact me

Although I don't have formal work experience yet, I'm eager to contribute and bring value with my web development skills. I'm ready to work hard and grow alongside the company.
